

Deanna Spehn--President

I am a candidate for President of the Tierrasanta Community Council and Planning Group. I have been a member of the TCC and/or active on its various committees on and off over the past 40+ years since the group was first created. The TCC is the officially recognized planning organization for the 92124 community: from MCAS Miramar to the north; 1-15 to the west; Friars Road to the south; and the San Diego River to the east.

The same people who serve on the planning group also serve on the Tierrasanta Community Council, a 501(c)4 community advocacy organization that sponsors and co-sponsors local activities including the Concerts in the Park, TierraFest and Oktober-fest.

I serve on the Tierrasanta Open Space Committee and the Tierrasanta Recreation Council and am co-publisher and editor of the Tierra Times.

I care deeply about our community and would be honored to serve as President.
