

THE CITY OF SAN DIEGO

November 6, 2012

TR 326, 089

Tim Splinter, Chair  
c/o Tierrasanta Community Council  
10488 El Comal Drive  
San Diego, CA 92124

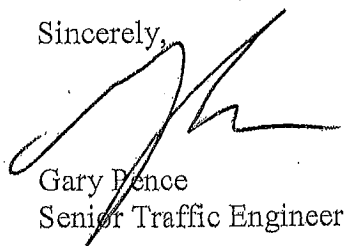

Dear Mr. Splinter:

This is regarding the posted speed limit on eastbound Tierrasanta Boulevard between La Cuenta Drive and Rueda Drive in the community of Tierrasanta. Local governments must follow the procedures set by the State of California when setting speed limits on public streets. The California Speed Trap Law (California Vehicle Code Section 40802) requires that the City survey the prevailing speeds on classified streets every seven years in order to keep our speed limits radar enforceable under the provisions of the law.

We have recently surveyed the above segment of Tierrasanta Boulevard and the results of the study indicate that the existing posted speed limit of 40 mile per hour for the eastbound direction must be raised to 45 miles per hour in order to remain radar enforceable. Therefore, we will be changing the posted speed limit from 40 miles per hour to 45 miles per hour in eastbound direction along this segment of Tierrasanta Boulevard. The posted speed limit for the westbound direction will remain at 40 miles per hour.

It is our practice to notify the community planning groups before changing the speed limits. If you have any questions concerning this action please contact Mariano Castro at (619) 533-3869.

Sincerely,

Gary Pence  
Senior Traffic Engineer
