To Whom It May Concern:

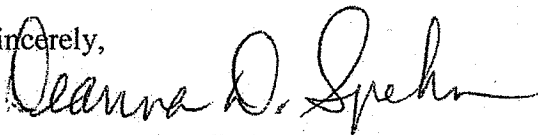

For decades, the Kiwanis Club of Tierrasanta has sponsored the annual Patriots Day Parade and Dinner each Spring, the Oktoberfest Celebration each Fall, and several other civic events in the Tierrasanta/Murphy Canyon community.

The Tierrasanta Community Council and Planning Group has been pleased to assist the Kiwanis members in organizing these important community-building celebrations. Tierrasanta Community Council members believe that these activities help bring people together and, in so doing, create a warm and friendly community identity.

Over the years, the events sponsored by the Kiwanis Club of Tierrasanta in coordination with other community associations has contributed to making Tierrasanta/Murphy Canyon a special place in which to live.

Each year the Tierrasanta Community Council votes to reaffirm its support of activities and events sponsored by the Kiwanis Club of Tierrasanta. As the 2016-2017 President of the Tierrasanta Community Council and Planning Group, I wholeheartedly support the Kiwanis in their ongoing efforts on behalf the residents of Tierrasanta/Murphy Canyon.

Sincerely,

DEANNA D. SPEHN
