

Subject: Re: Awards Committee Mtg - Questions to Consider

1. Should we recognize retiring and/or departing council directors for their service?

Yes

2. Should there be a minimum number of years required to merit recognition? Two years? Four? More.

Four

3. What form or forms should recognition take? Do we differentiate between/among one term director versus eight years of service or between directors and officers?

Short-term Director - certificate. Long-term (6 or 8 years?) Director or officer - wooden plaque

4. Do we need/want a separate event for recognition or can we incorporate into a monthly meeting?

Monthly meeting

5. If we have a separate event, what should it look like? Food? Wine? Speeches? At a restaurant? At the Rec Cntr? In a private home?

NA

6. Should we recognize community organizations or individuals for their service to Tierrasanta? How do we decide whom to recognize? What form/s should recognition take?

Yes but not every year. Maybe every other year or when an individual or organization performs an outstanding act for the benefit of the community. Awardees to be nominated by the Awards Committee, with nominations ratified by the council. Community could vote online (?).
