

The City of San Diego  
PARKS & RECREATION DEPT.  
**Open Space Division**  
**TIERRASANTA Maintenance Assessment District**  
**STAFF REPORT**  
**May 1, 2019**

---

**APRIL ACTIVITIES IN TIERRASANTA**

**Landscape Maintenance**

- Treebeard continues to provide landscape maintenance services in a timely manner and within budget.
- Mulch has been added to planter beds in parks and various medians.
- Irrigation has resumed in all areas. The clocks were reset due to the time change, schedules set, and many adjustments and repairs are taking place in all irrigated areas.
- Serra High School irrigation was off much longer due to the construction there. The main line break further delayed things before irrigation was resumed. Irrigation is now back on and many rotors were upgraded. The new rotors help to provide closer head to head coverage than what existed here before. This will help the turf as we enter the hottest and driest seasons of the year.

**Tree Maintenance**

- A few rain showers fell again this month. No downed trees to report on City of San Diego land. Pruning and preparation for the recent rainstorms have helped.
- Tree trimming and safety pruning continues at various locations including Open Space areas.
- Villa Norte Park and Roadrunner Park trees were both pruned.
- Clairemont Mesa Blvd. center median trees were safety pruned.

**Open Space Canyons**

- Dishwasher Pond water has been maintained at an adequate level. Recent rains have helped to keep it full.
- Mulch has been added to several Open Space overlooks and cul-de-sacs.
- Unexploded ordnance signs are being assessed and replaced as needed.
- Friends of Tierrasanta Canyons continue their weekly cleanup removing eucalyptus tree suckers from Rueda Canyon.

**Miscellaneous**

- GET-IT-DONE San Diego is the official app. for reporting non-emergency problems to the City of San Diego. You can report problems like potholes or graffiti and connect directly to the City's work tracking system. Walking down the street and see a problem? Take a photo and upload it from home or while still nearby. GET-IT-DONE will automatically update the problem report with information about where the photo was taken. Please download the app and participate in making your San Diego neighborhood a better place!

GET-IT-DONE is a valuable tool and helps issues get referred to the correct department.

I encourage everyone to become familiar with GET-IT-DONE.

- The City of San Diego Brush Management Contractor has been working in Tierrasanta at select Open Space locations recently. The Open Space Division conducts brush management in accordance with Section 142.0412 of the San Diego Municipal Code and the San Diego Fire-Rescue Department's Canyon Fire Safety guidelines and policies related to brush management. For more information please visit the City of San Diego website at <https://www.sandiego.gov/park-and-recreation/parks/osp/brush>.
- The City of San Diego offers expedited *Right-of-Entry Permits at no charge* for homeowners wishing to hire a contractor or to perform brush clearing work themselves on City property adjacent to their home. For more information please visit the City of San Diego website at <https://www.sandiego.gov/park-and-recreation/parks/osp/brush>.

The **Open Space Parks Brush Management Right of Entry Application** is available online at <https://www.sandiego.gov/park-and-recreation/parks/osp/brushform>.
