NOV. & DEC. ACTIVITIES IN TIERRASANTA

Landscape Maintenance

- Treebeard continues to provide landscape maintenance services in a timely manner and within budget.
- All Joint-Use fields have been fertilized and aerated. Playgrounds were rototilled as well.
- DG tracks at Farb Middle School & Vista Grande Elementary School have been filled in to match the mow curb height.
- The center island on Clairemont Mesa Blvd from Antigua Blvd to Santo Rd. is now complete with more plants and mulch added.
- The Tierrasanta Library officially reopened on November 25. The building itself had the restrooms remodeled, new flooring, a new outdoor patio, and about 1000' of additional space added on. Landscaping included the removal of several trees, new plantings in the planter boxes, and the addition of a living wall. This work was performed by the General Contractor. The Tierrasanta MAD will maintain all outdoor landscaping.

Tree Maintenance

- 10 trees were planted at Community Park: 4 crape myrtles, 3 Chinese Pistache, and 3 Brisbane Box (Tristania). Groundcover, river rock, and bird of paradise were also installed.
- More tree planting and tree pruning will continue in the early spring.

Open Space Canyons

- Friends of Tierrasanta continue their weekly cleanup. Eucalyptus suckers and re-sprouts are being removed in Rueda Canyon.
- Mustard and other annuals from the recent rains have been treated in Shepherd Canyon.
- Erosion control berms have been installed and repaired in Shepherd Canyon. The trail was also filled in. This work is ongoing after each season of rain.
- Brow ditches throughout Tierrasanta have been cleaned out in preparation for the rains. More are being cleared in the coming weeks.

Miscellaneous

- GET-IT-DONE San Diego is the official app for reporting non-emergency problems to the City of San Diego. You can report problems like potholes or graffiti and connect directly to the City's work tracking system. Walking down the street and see a problem? Take a photo and upload it from home or while still nearby. GET-IT-DONE will automatically update the problem report with information about where the photo was taken. Please download the app and participate in making your San Diego neighborhood a better place!

GET-IT-DONE is a valuable tool and helps issues get referred to the correct department.

I encourage everyone to become familiar with GET-IT-DONE.
