

Charter – TCC Visions and Goals Committee

Purpose

The TCC as the Community Council has an implied obligation to be mindful of the general welfare of Tierrasanta and to explore future changes and improvements. Our community is a great place to live, a fine location and a great reputation. The TCC is in a position to lead efforts to maintain that status. The Vision and Goals Committee is the working group that will provide organization and visibility to that initiative.

Leadership and Membership

The Visions and Goals Committee Chair Person shall be a member of the TCC. Numerical membership composition of the Committee is not specified. Other members of the Committee may be TCC members as well as other residents of Tierrasanta.

Roles and Responsibilities

The Committee shall compile and maintain a catalogue of items, concerns, issues and proposals that affect the community's quality of life and future improvements. The catalogue shall include items of an ongoing nature, specific items approved, as well as items, concepts and proposals for continued consideration.

The catalogue is to be large and wide ranging, from straight forward items to wish list dreams. No specific priorities, time lines or funding are included. Specific projects from the catalogue can be selected by the TCC and/or other individuals or organizations for action as appropriate.

The committee will meet as required and solicit additions, revisions or deletions to the catalogue from all sources within Tierrasanta. Annually the committee will provide any proposed catalogue modifications to the TCC. The TCC will approve any changes to the catalogue.
